

Remarks

After this amendment claims 2 and 6 are remaining in this application. All of the limitations of claim 5, which the examiner has indicated as allowable, and the limitations of the claims 3 and 4, from which it depended, are included in amended claim 2. The changes the examiner had requested to the specifications have also been made. With this amendment applicant believes that the application is now in condition for allowance and a notice to that effect is earnestly solicited.

Conclusion

Applicant does not believe that a fee is due in connection with this response other than the two month extension of time fee for \$450.00. If, however, the Commissioner determines that an additional fee is due, he is authorized to charge Deposit Account No. 19-1345.
